

Hello!

My name is Mrs. Sarah Phipps and I am going to be your child's kindergarten teacher for the next school year! I am very excited about beginning a new year. I am also very excited to meet my new students! I hope your child likes to have fun because I sure do!

A Little About Me...

I grew up in Du Quoin and graduated from DQ High School in 1998. From there, I went on to attain my Bachelor's degree from SIU in 2002. I was so very lucky and blessed to be hired at Tamaroa Grade School shortly after graduation. I worked there as a kindergarten teacher for three years before I was hired in Du Quoin. I taught one year at the second grade level before going back to my favorite grade level, kindergarten. I have been teaching kindergarten in Du Quoin for the last 4 years. So if you are doing the math that makes this my 9th year as a teacher. Wow how time flies!!!

In 2001 I married Robert Phipps and we are so excited to be celebrating our 10th anniversary next summer! We have been blessed with two beautiful girls named Grace, who is 3, and Anna who just turned 1! We have one pet, a dog named Gordie. My family and I enjoy doing many things together like hiking, jumping on the trampoline and playing games. We also like to travel. I love to cook, well more specifically, bake! I also enjoy having fun with my friends!

Well, now you know a little about me. I can't wait to meet you and your family so we can work together to make your child's first year of school and awesome one!

*Sincerely,
Sarah Phipps*
