

Homework Folders

1. Always bring your Homework Folder to school every day.
2. Keep your Homework Folder clean.
3. Remember to take papers out that are to stay at home!
4. If you need to go home a different way, have mom or dad put a note to the teacher in your Homework Folder.
5. Every day, show your parents your Homework Folder so they can see how responsible you are!

Things NOT to do:

1. Never leave your Homework Folder at day care or grandma's house. Always bring it home so it can come with you to school the next day.
2. Never eat or drink near your Homework Folder.
3. Never draw or write on your Homework Folder.
4. Never let someone play with your Homework Folder.

Always remember to check for homework. You may find math homework and current sight words to practice each day.
